

USA Property

“The very best deal without any UK based ripping off steal”

UK based fully licensed Salesperson **qualified** and better placed to serve every UK investor considering USA investments
WE Address every property to start with **THINK** if others do not list a property address then what else are they hiding **BEWARE..**

Fully licensed means fully guaranteed service for you the client. No guaranteed rental programs, as they usually add to the final cost of any property and we always want the very best for YOU the client. We are not members of any UK based organizations because so far none of them will offer clients the same protections as the USA Realtor organizations.

WE WORK with all local REALTORS and never add to the final cost, being licensed means I can legally operate by being paid commission AND NOT BY YOU.
WE SAY NEVER allow any third party so called unlicensed uk expert tell you little white lies

Check my credentials with the license board in Florida
licensed no SL3146306.

A night in Old Town Kissimmee

A great night , along H192 old town . My favourite Karaoke bar comes to life after the car shows on Friday and Saturday nights , with motorbike nights on a Thursdays and entertainment on the Sunday nights. My personal favourite nights are Friday and Saturdays where I park my car up for 48 full hours and enjoy the atmosphere and the cars . I also know that old town now has its own website , simply type in old town Kissimmee and you will find the latest information. Enjoy yourself and enjoy the shows.

Property Investment from \$20000

\$20,000
4 beds | 1 baths | 1 half baths | 1,768 sq ft.

4 bed investment home in the state of NEW YORK . Within easy reach of all major airports Newark New Jersey and even JFK . Infact from newark I myself have drove to Syracuse where this property is based.. An excellent piece of American real estate to rent out and start your property portfolio. Management should only ever be considered with a full license and a first class record of serving investors. We are with Century 21 of course but always give clients options to choose their own ..

\$20,000

3 beds | 1 baths | 2,171 sq ft.

Est. Property Tax: \$1,898

Estimated monthly payments: \$260/mo.* (recalculate)

Minutes from H95 and a short drive to NEWARK airport New Jersey This 3 bed property in the state of Pennsylvania . Another great investment again priced at only \$20000 .

Why not build a property portfolio and start your positive cashflow today. Remember we will not ask or add any more fees or costs to your Investments and we will not pump up the cost of work that needs to be done to the house and will always look to get the best possible deal for all of our investors. Being fully licensed in the USA means a lot to me and those UK based experts that never pay any real estate organisation in the USA a cent really do make USA investing a potentially very nasty and harmful business for all those that are investing and the only people that are happy are those so called greedy experts that make as much profit and they can get their hands on.! Remember fully licensed means investors gets fully a better deal all round.
