Property Description

GREAT OVERSIZED LOT WITH GREENWAY in the rear of the lot for more privacy. No neighbor in the rear of your lot. It has all utilities: water, sewer, electricity, street lighting, paved streets, ready for you to build your dream house now, or any time you desire. The lot in front is also available for sale, so you can buy both lots or just one. The lot is near bus lines, schools, shopping centers, Banks, restaurants and many other businesses. POINCIANA has its own schools. VALENCIA COLLEGE opened its Poinciana Campus on August of 2017. The community built a beautiful hospital in 2013 and had to be expanded on the following year. There are medical offices, private doctor offices, and other medical providers. Orlando International Airport is 45 minutes away. Poinciana has plenty of activities for its residents: golf, basketball, football, soccer, baseball, softball, tennis, shuffleboard, racket ball, parks, dog parks, swimming pool, gym and lakes for fishing. The Home Owners Association built a new Recreation Center with scheduled activities for its residents. The Olympic size swimming pool for competitions was opened in the summer of 2017. Disney's parks are next door. Sea World, Universal and all the attractions Central Florida is famous for are minutes away. Come, this beautiful lot is waiting for you. Build your dream home now or whenever you decide. Get it while prices are still reasonable.
