

I have been looking at the State of NEW YORK for the potential to buy land and then develop a small mobile property on it which will be within 2 hours drive of newark NJ airport . My aim is to start a portfolio in a company name to build assets for my family and to generate a USA income with the potential to provide my Son with a ready made business that will also help the rest of the family build assets in the USA.

During 2023 usalocations.com will turn 20 years OLD September 24th exactly was when the domain name was first talked about . Its been quite a journey to become licensed during 2005 and to keep hold of the licence even though since 2016 I have had to go voluntary inactive and to put plans on hold due to the crash after 2008 and then the pandemic 2019 it has been a really hard slog to keep an active interest in the USA. But I hope to invest myself and assist others to find the best deal possible .  
Best Regards to all readers . Happy investing and good luck .

Haines city Florida , I always try and visit the Walmart in haines city while I am over in Florida becasue I like the shopping centres and the food places . I also visit a road called THOMAS DALE DRIVE as my dads name is Thomas Dale . He is this year 81 with health issues and diabetes etc so will not be able to see his own drive . He has seen pictures and was tickled pink . This is after I found a whole town that shares my name a place called owendale close to detroit michigan . Excellent people and I was honoured to meet the president Walter Howard who sadly passed away during 2021. Thank you walter for a truly fantastic and memorable time in Owendale.
